Lagos is historically associated with the Portuguese Discoveries and is today one of the Algarve's most attractive tourist centers, with exceptional beaches, . cultural and religious heritage, as well as a dynamic nightlife. The historic center is almost entirely traffic-free, offering a wide range of shops and cultural establishments, restaurants, bars and cafés.
Today, Lagos' greatest attraction lies in the abundance and beauty of its beaches. You can choose between the long stretches of sand dunes of Meia Praia or smaller, sheltered beaches such as Praia do Camilo or Praia Dona Ana.
Faro International Airport is only an hour away via the A22 motorway.
