Detailed description

Nestled in a serene coastal village, this property offers tranquility just 13km from Lagos and 23km from Sagres. The house, boasting 166.60m2 of space, sits gracefully on a generous 924m2 plot dating back to pre-1951.

Comprising 3 bedrooms, a living room, kitchen, and outdoor bathroom, the house presents opportunities for refurbishment or reconstruction. Options abound, including:

Construction of a new residence set further back, with an area of up to 300m2.

Development of 2 semi-detached houses featuring a 0.3 index, complemented by a swimming pool.

Creation of 3 or 4 townhouses or apartments (ground floor and 1st floor) with a 0.4 index, complete with a swimming pool.

In each scenario, provision for 1 indoor (garage) or outdoor parking space per house is mandatory.

Enhancing its appeal, the property benefits from a well, enabling the cultivation of a personal vegetable garden, enriching the rural lifestyle. The village of Burgau marks the beginning of the Southwest Alentejo and Costa Vicentina Natural Park, which stretches along the south and west
