These sliding doors give direct access to the beautiful outdoor area with a saltwater pool and the spacious terrace, which invites you to enjoy the sunny days and balmy evenings with friends and family.
The kitchen is fully equipped with modern appliances. It is very practical and has an adjoining utility room, which is also accessible from the outside.

On this level there is also a bedroom, which currently functions as a study, and a bathroom with walk-in shower. There is also a carport with space for one or two cars, which is accessible via an electric gate.

The lower level offers 3 spacious bedrooms. The master bedroom with direct access to the large terrace provides a walk-in wardrobe and a large bathroom with walk-in shower. The large terrace invites you to enjoy your morning coffee with the rising sun and sea views.
