RURAL LAND WITH RUIN FOR SALE IN COLÉGIO, LAGOS

Colégio

Detailed description

A fantastic rural land plot of 60,480m2 with a registered ruin, located in the Colégio area of Lagos. About 15 minutes by car from the city of Lagos, in a location with stunning views over the countryside with an existing construction area of 90m2.

This could be your opportunity to build your home or invest in a rural project.

According to the Lagos Master Plan, the characteristics of the land allow for the reconstruction and extension of the existing ruin, or possible development of a rural tourism project. Both possibilities are subject to approval and licensing by the Lagos City Council and the respective entities involved.

Buying a rural land with a ruin can be an exciting project for those looking for a personalised renovation or construction experience in a charming rural environment.
