Canavial

Detailed description

Set within a luxurious clifftop complex near the famous Ponta da Piedade and the natural and spectacular Praia do Canavial beach cove, these 8 plots of land allow you to build a 3 bed detached villa consisting of 2 floors plus basement, with a construction area of up to 200 m2 and a very generous total plot area, perfect for building your dream home with a comfortable outdoor leisure area. Each villa can include a swimming pool.
